Important Safety Instructions

1. Read all instructions carefully before use.
2. Do not allow children to use the dumping garden kart unsupervised. This dumping MAXY KART is not a toy
3. Do not load any items on the top edges of the plastic tray.
- 4 Do not operate or use on objects that can cause damage to the pneumatic tires or tubes. Do not inflate tires to more than the maximum PSI rating listed on the tires.
5. Save these instructions.

Assembly Instructions

Your dumping garden kart requires assembly. Account for all parts and hardware before beginning assembly. If any parts are missing or damaged, or if you have any questions or need any additional instructions.

Tools required for assembly : standard screwdriver and socket set (or two adjustable wrenches).

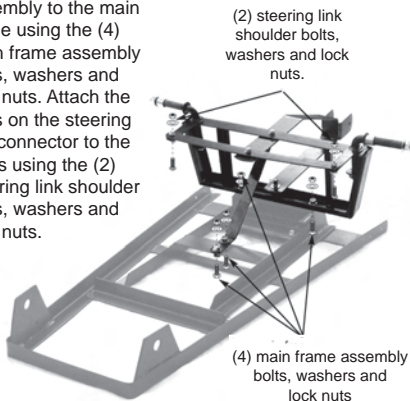

Step 1

Lay the main frame assembly on a flat working surface.

Step 2

Attach the front axle assembly to the main frame using the (4) main frame assembly bolts, washers and lock nuts. Attach the bolts on the steering link connector to the axles using the (2) steering link shoulder bolts, washers and lock nuts.

Step 3

Attach the axle and (2) 10" wheels to the main frame assembly. Slide the wheel spacer bushings onto the axle ends, insert the wheels and attach using the wheel washers and the cotter pins.

Step 4

Flip the cart over to the upright position. Attach the upright handle to the main frame assembly using the (4) upright handle bolts, washers and lock nuts provided.

Step 5

Attach the (2) tray braces to the main frame assembly using (2) main frame assembly bolts, washers and lock nuts.

**Step 6**

Attach the tray to the main frame assembly using the (6) tray bolts, washers and lock nuts.

**Step 7**

Attach the (2) 13" wheels to the front axle assembly. Slide the wheel spacer bushings onto the axle ends, insert the wheels and attach using the wheel washers and wheel lock nuts.

**Step 8**

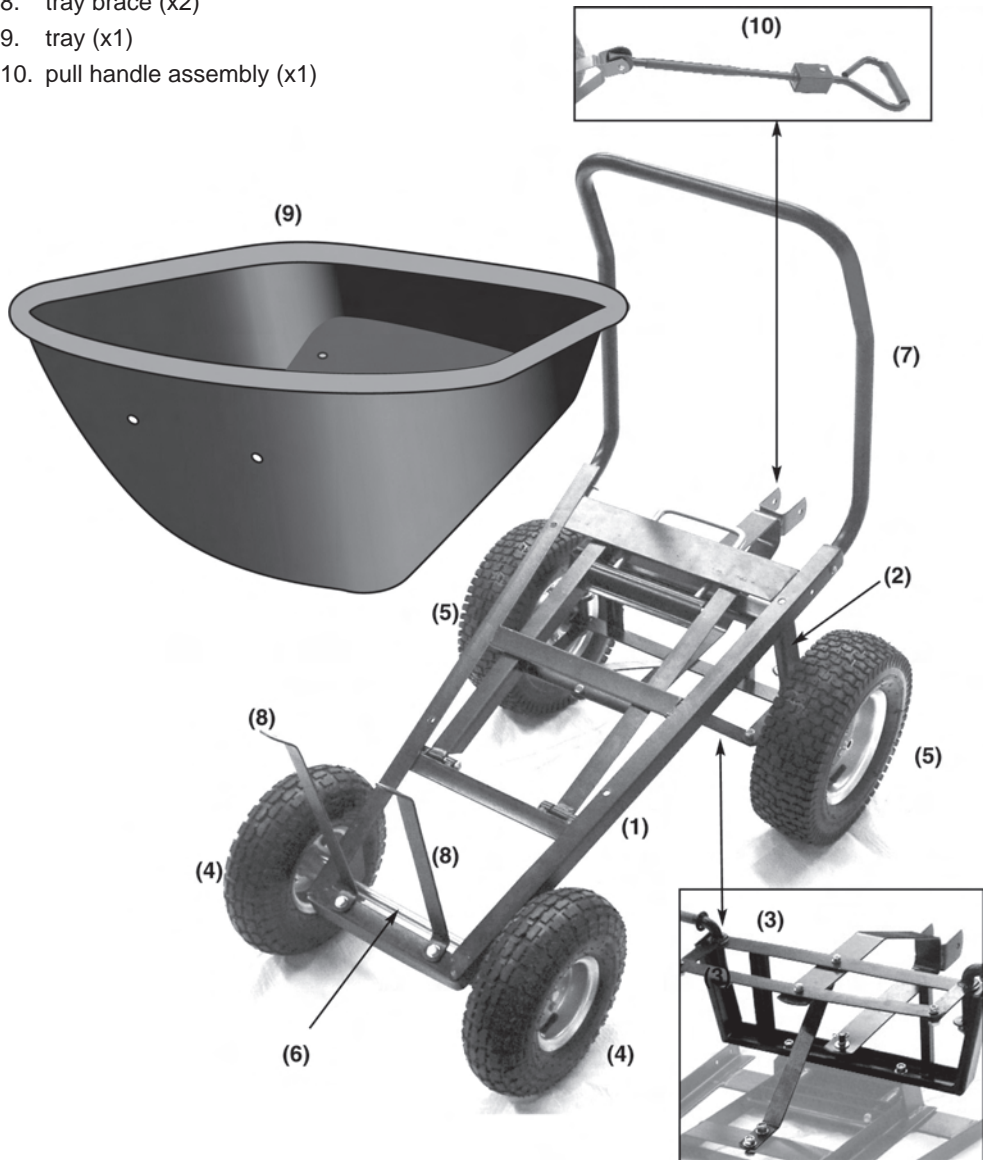

Attach the pull handle assembly to the front axle assembly using the pull handle bolt, washer and lock nut.

**CAUTION**

Do not exceed maximum overall load capacity 662 lbs.
